

Willy The Jester Paper Puppet SFBAPG

To Assemble:

1. Carefully cut out each piece
2. Cut and punch out openings marked with an X
3. Fold back on all dotted lines
4. Insert tabs A and B into slots on the shirt of the Face Piece
5. Lay Face Piece face down and place Pants piece on it with tabs A and B going through slot 2
6. Lay Arms piece with tabs A and B going through slot 3
7. Using a blade, carefully cut around the bottom of the mouth creating a tongue-tab; Then slit the smiley portion on the hat piece and insert tongue-tab through the mouth opening
8. Hook tabs A and B together and lock all the layered pieces by inserting Key into the small openings at the base of the lock piece
9. Fasten Control Piece with tabs M, P, Y, and Z
10. Bend back wings on knees and insert into corresponding slots on pants.

To Operate:

1. Hold Lock Piece with thumb and middle finger where indicated
2. Insert index finger to move the mouth and eyes (and hat) up and down.
